## Internal Protection System

The **Internal Protection System** aims to generate **safe spaces, safe activities** and **safe relationships** in each of the projects and institutions of RR Adoratrices.

### We are inviting you to:

- > Contribute to the creation of caring, welcoming, respectful and safe environments.
- > Attend to, protect and take care of all persons involved in the project.
- > Undergo training in the prevention of abuse.
- > Follow and disseminate the Entity's Code of Conduct.
- > Report any inappropriate practices or abusive behaviour you witness or are made aware of.

**To find out about the Internal Protection System or report any incident, you should contact:**
